Dear Mr. Weisberg,

I am a junior high school social studies teacher in a suburb of St. Louis. I have been studying the Kennedy assassination since it occurred and I am only 24 years old.

I have collected nearly all of the major publications written about the assassination (Meagher's, Lane's, Thompson's, Jones', etc.). However, I have not purchased any editions of your Whitewash series. I would like to know the price of each book and I then plan to purchase them.

I would also appreciate information on any new developments relevant to your lawsuit.case.

I teach a course on the assassination which includes the Zapruder film and I can assure you that any information made available to me will prove very useful in this endeavor.

Thank you for your time and I look forward to hearing from you.

Sincerely,

Norm Richards
